Toddler Assistant Teacher

Job Description: Toddler Assistant Teachers are responsible for providing and maintaining a loving, nurturing, safe, and educational environment for the children in their care. They report to the Director, Assistant Director, and Lead Teacher with any questions or issues.

Major Responsibilities:

1. Manage one classroom of 2-3 year old children.
2. Contribute to the creation of a classroom environment conducive to learning and appropriate to the physical development of the children.
3. Engage the children in academic activities, sensory activities, neuromotor activities, and audiomotor activities, and physical exercise.
4. Assist the children in washing their hands before meals.
5. Guide children through completing their academic work.
6. Prepare breakfast, lunch, and snack for children and assist those who need help eating.
7. Attend to the personal hygiene of each child, ensuring diapers are changed for those who still use diapers, and their clothes and sheets are changed if they are soiled.
8. Ensure the children are well dressed and properly secured for walks outside
9. Ensure all children are holding hands and/or the rope on walks around the building and outside.
10. Prepare children for nap time; making sure their mats are out, diapers have been changed for those that need it, the lights are off, and music is playing.
